2.5 Grammar: past progressive

Not quite the same as the imperfect tense. Past progressive describes actions that were ongoing, at a time in the past - often interrupted by something else happening. ‘While I was working (past progressive), I received a call.’

To form the tense, *stare* is used with the gerund, as shown in the table - note the **v**.

io	<i>stavo parlando</i>
tu	<i>stavi parlando</i>
lui/lei	<i>stava parlando</i>
noi	<i>stavamo parlando</i>
voi	<i>stavate parlando</i>
loro	<i>stavano parlando</i>

For example, *Mentre Luca stava mangiando, sua figlia lo chiamava.*
